EYE CANDY FOR CENTRAL SHOPPERS

WHO is the hottie in the Cairns Central Sunglass Hut window? It is none other than top British model and actor NICK HOUNSLOW. The handsome devil flashes a big smile and sports stunning shades in the larger than life poster and is making female shoppers go weak at the knees. Nick has previously appeared in music videos for BRITNEY SPEARS and HILARY DUFF, starred in L'Oreal television commercials with CLAUDIA SCHIFFER and has flashed his rock-hard abs on *Jimmy Kimmel Live*. There is no rest for the ridiculously hot, and this week Nick will step in front of famous photographer Rankin's lens with HEIDI KLUM for Germany's version of *Next Top Model*.
